	<input type="checkbox"/> Altered	<input checked="" type="checkbox"/> Unaltered	<input type="checkbox"/> Moved	<input checked="" type="checkbox"/> Original Site		

DESCRIBE THE PRESENT AND ORIGINAL (If known) PHYSICAL APPEARANCE

This three story, three bay wide rowhouse of running bond brick is located in mid-block. Double entrance French doors with arched transom open from the left bay; arched stone molding resting on stone posts frames the doorway. Six marble steps approach the outer doorway, and two more fill the entry corridor. A stone belt course runs from the entry level to the right edge of the structure; underneath is a stone foundation with six light cellar windows in each of the bays to the right. On the ground floor of these bays are double hung arched windows with 4/4 lights over stone sills, which are capped by arched brick lintels. Each bay of the second and third floors contains a proportionately scaled window of similar style with 2/2 lights. A bracketed and dentilled wooden cornice defines the flat roof of the building. A tree grows from the sidewalk in front of the left bay. The building forms a single architectural unit with 811 and 813 North Calvert Streets.
